ADDITIONAL SERVICES

Any additional services over \$ 100.00, such as weeding beds, trimming shrubs, adding mulch, seasonal color, etc. will be billed the day the services is performed. Payment for any and all additional service requests is expected within 10 days of the date of the bill. Woody's pays their crews weekly for the services they performed that week. We all have families to feed and other obligations. In order that we may meet these obligations, please pay us promptly for services rendered. Failure to do so could result in termination of your regular mowing services. Thank you for your continued patronage of Woody's Landscape.

FERTILIZER

IT'S TIME TO FERTILIZE.....Fertilization #4 will begin soon after August 1st, so if you have not previously signed up for this fertilizer, call and we will be happy to add your lawn to the list. Fertilizer is applied immediately following your lawn mowing. We use granular fertilizer that will not harm your pets or children. You will be called with watering instructions the day we fertilize.

DEADLINES

The crews leave our building at 7:00 am and return usually after dark. The office staff is unable to contact the crews during that time, therefore, it is extremely important that requests for cancellations or extra mows be done by noon the day before your regular scheduled mowing day. FAILURE TO PROVIDE 24 HOUR NOTICE OF CANCELLATION WILL RESULT IN A \$ 20.00 TRIP CHARGE.

MULCH

What's one of the best things you can do to save water, save time, save money....and keep your landscape looking its best? Add *hardwood mulch* in all of your beds and around trees and shrubs! It protects the roots of your bedding plants and shrubs, saves water and makes your beds look more uniform and full. Woody's installs mulch for just \$ 7.25 per 3 cubic foot bag.....
